All finishers in this category will receive a medal and certificate with finishing time and general ranking. There will be no winners ceremony, nor an age ranking. It goes without saying that walkers (with and without sticks) will receive a warm welcome too! All participants in this category will need their own or a rented Real Time Champion-Chip.

Finally from the refreshment point „Norbertuskapelle“ back on the marathon track and to the finish. Total elevation gain +/- 1100 meter.
